OUR LOCAL PROGRAMS

Big Brothers Big Sisters of the Laurel Region is an affiliate agency of Big Brothers Big Sisters of America but is completely self-sustaining in raising funds to operate local programs. In 2016, over 200 children throughout Westmoreland and Fayette Counties were served in mentoring relationships.

There is one key item that sets our agency and programs apart from other mentoring agencies - our mentoring relationships are **ONE-TO-ONE** and focus on consistency. As a result, our programs are **PREVENTATIVE** in nature, thus helping to attack sources of problems before they develop.

All mentoring relationships are tracked for positive improvements in the following critical areas:

1. socio-emotional competencies (e.g. higher aspirations, greater self-confidence, and better relationships)
2. avoidance of risky behaviors
3. educational success

PLAY AT HIDDEN VALLEY

The Hidden Valley Golf Club is a spectacular 18-hole mountaintop course, designed by golf course architect Russell Roberts.

You will use every club in your bag on this destination golf course! The design of the par 72, 6,549-yard course captures the beauty of its mountain setting. Offering golfers breathtaking vistas and challenging terrain, the public course at Hidden Valley Resort sits atop a near 3,000-foot summit in Pennsylvania's Laurel Highlands.
