

## About Us

The mission of Big Brothers Big Sisters of the Laurel Region is to create and support one-to-one mentoring relationships that ignite the power and promise of youth. We serve youth ages 6-14 in Westmoreland and Fayette Counties by matching them with trained volunteer mentors. Through the mentoring relationship, children gain self-confidence, improve their grades, and develop the resilience to avoid risky behaviors.

An affiliate of Big Brothers Big Sisters of America, our agency is an independent 501(c)(3) charitable organization that raises annual operating funds through special events, grants, and individual and corporate donations.
