

## About Us

Big Brothers Big Sisters of the Laurel Region, a 501c3 charitable organization, is changing lives right here in our community. BBBSLR creates and supports one-to-one mentoring relationships that ignite the power and promise of youth. A "Big" (an adult volunteer) is paired with a "Little" (a child in need of services). The "Big" then serves as a positive role model, offering friendship, support, and guidance, as well as exposure to new opportunities to help strengthen and broaden the horizons of the "Little". Through these mentoring relationships, children gain self-confidence, improve their grades, and avoid risky behaviors making a strong, child, a strong adult, and a strong community.
